July 16th

By Appointment

Just in passed the
Church end of Hastings
pier, saw the clouds of
smoke which it was
burning yesterday. Our
aeroplane hovering over
it quite close, the new
pier has not been touched.
People were having a rough
time bathing this morning
continually being knocked
over by the waves, Brighton
weather we are having.
Hope all are well. Love
Sig:

A. B. Hornblower Esq:
32. Forest Drive East
Leigh-on-Sea
Essex
